PETITION FOR WITHDRAWAL OF ABANDONED STATUS

Ballard Spahr LLP
Customer No. 23859

Sir:

Pursuant to 37 C.F.R. § 1.181 and MPEP § 711.04(c), applicants hereby petition for withdrawal of abandoned status, as indicated in the USPTO Secured Patent Application Information Retrieval system.

Remarks

A Notice of Abandonment for this application was mailed April 17, 2006. In response, a Petition to Revive Unintentionally Abandoned Application was filed May 5, 2006. The Petition was granted by Decision issued May 11, 2007. Copy attached hereto as Appendix A. No subsequent action was taken by the Office. On July 18, 2008, Applicant filed a Status Inquiry for this application. Applicant has not yet received a response from the Office.

During routine inspection of the USPTO Secured Patent Application Information Retrieval (PAIR) system file for this application, counsel for Applicant noted that the Bibliographic Data for this application indicated the status to be “Abandoned – Incomplete Application (Pre-examination).” Copy attached hereto as Appendix B.

Because no Notice of Abandonment has been mailed subsequent to the May 11, 2007 Decision, Applicant believes the status is listed incorrectly in the Bibliographic Data. Applicant believes withdrawal of abandoned status would be proper.

Favorable consideration of this Petition is earnestly solicited.

It is believed that no fee is due with this Petition. In the event that it is determined that a fee is due, the Commissioner is hereby authorized to charge the fee to Deposit Account No. 14-0629.

Respectfully submitted,

Ballard Spahr LLP
